# 'Professional Experience ,

From July 2000 to October 2002, I worked in Minister of Culture, in diverse areas such as cultural scope database maintenance, copyright archive organization and maintenance, costumer service, amongst others.

August 2002, I designed a website for a National Congress of 'Hipoterapia' (Therapy with Horses), unactive at this time.

November 2002, I began a secretary role in the architecture atelier 'Victor Mestre e Sofia Aleixo, Lda'.

Since December 2002 until December 2007, I worked in the auditor ship department in the 'Vasco da Gama' shopping center, in part-time nighth schedule, while I as studing.

July 2006, I designed, in collaboration with Carla Coelho, a promotional flyer to Gota D'Água ([www.photoblog.be/gotalounge](http://www.photoblog.be/gotalounge)), a Bar at Sesimbra.

December 2007, I collaborated with the animals protection association 'Bianca – Associação de Protecção aos Animais sem Lar do Concelho de Sesimbra', as 'freelancer', designing their Christmas Post Card.

January 2008, this collaboration continued, as I was asked to design Bianca's membership card.

# Professional Experience 2,

In February 2008, I collaborated as freelancer, with 'On-Spot' designing an internal card.

Also in February 2008, the collaboration with the animals protection association 'Bianca' continued, as I designed a outdoor for the book-fair.

In March, I was asked again by Bianca, to design a several graphic supports to Bianca's Day, to be realized on 19-07-2008.

July 2008, the Chairman of the Board of Town, asked me to design a 'Biennial of Art' Logo.

In July 2008, I began a professional stage financed by IEFP with the duration of 9 months on Filpes - Sistemas de Pesagem e Doseamento Lda, as an Industrial Designer. My work in this company was to maintain Filpes's contact with clients and also to create the possibility to acquire new clients. Therefore I design and update Filpes's Website (now a days offline); wrote and send newsletters and electronic post cards; execution and development of industrial design projects with restricted bounds to automation weighing, as well developed proposals in paper form and videos designed on Rhinoceros, Flamingo and Bongo. I also, designed Filpes's Catalogue to be released soon; technical datasheets for internal and external use; graphic design of Application Report, etc.

# Professional Experience <sup>3</sup>,

February 2009, poster for campaign between Bianca Association and 'Fascínio Health Clube'.

Since April 2009, I start updating daily Bianca's website ([www.bianca.pt](http://www.bianca.pt)) using joomla!.

May 2009, I design a t-shirt and a promotional electronic banner for 2009 Bianca's Day. ([www.apdesign.com.pt/banerpt.html](http://www.apdesign.com.pt/banerpt.html)).

August 2009, logo for blogger Pexit@ do Campo ([www.pexito-do-campo@blogspot.com](http://www.pexito-do-campo@blogspot.com)).

On September 2009, I also design a Logo for another blogger MHBigudaça.

October 2009, Gina, one lady how take under her care more than 50 abandoned animals, ask me to design her a blog so she could start 'advertise' her animals and maybe found someone how wants to adopted one of her animals. So I design this blog, also design blog header and write all articles, as ghostwriter ([www.osanimaisdagina.blog.pt](http://www.osanimaisdagina.blog.pt)).

November 2009, design one flyer for a Campaing between Bianca Organization and Jumbo Natureza.

Yet, on November 2009, I was invited by Dr. José Sena, BEBIF2012 Chairman to present one graphic image for the congress to take place in 2012 in Guimarães, Portugal. I presented two ideas which will be included in BEBIF2012 book.

# Professional Experience <sup>4</sup>,

On December, by Bianca's Chairman request, I design again a Christmas Postcard, so it could sent to social and government entities.

March 2010, I design another blog 'Fazendo Animais Felizes', this time I was asked by friends and supporters of Bianca Organization to design one blog to sell articles and several handmade products which profit goes entire to this organization.

May 2010, promotional poster and pins for 3<sup>o</sup> Edition of Bianca's Day 2010.

From May 17 to August 17 I did an internship for a Design, Image and Marketing Studio named 'Porta de Comunicação' where I design one t-shirt for Board of Town of Prazeres to promote the second match event, one publicity bag for a hairstyler named 'Martins Cabeleireiros' and pagination of 'Observatório Portugal-África' number 24 and 25.

I also design, programm, developed and upload the entire website of 'Porta de Comunicação', and also some of the images used. I also design a logotype for a new Portuguese company named "PE.RA - Soluções Técnicas, Lda" which I designed bussiness card, letter and all corporative elements.

On September 2010, I organized and direct two photo shoots for two Bianca's 2011 calendars. My job during this project was contact make-up artists, photographers, choose the wardrobe and accessories. I also design calendar layout and did photo processing.

# Professional Experience <sup>5</sup>,

October 2010, design and print one wedding invitation for a young Portuguese couple living in London which the wedding theme is 'Travelling'.  
Go to [www.anaraquelperes.blogspot.com](http://www.anaraquelperes.blogspot.com) and see the pictures.

November 2010, designed one outdoor for a campaign between Bianca and pet store Ornimundo, which had been placed on Ornimundo's window store. I also design another promotional flyer for Bianca's Organization, by Caderno Publisher request alluding to the book launch "The Seven Lives of Dewey", which had been placed inside the promotional bag designed for the event.

December 2010, institutional Christmas card for Bianca.

Since 4th January 2011, I work at GRUPO NETT Company as graphic and web designer. My major tasks are updating the website, refresh design of [careers.gruponett.com](http://careers.gruponett.com) website, design job vacancies, newspaper and magazines ads, internal newsletter, update and management of social network and others related tasks.

# Professional Experience 6,

March 2011, design poster for another campaign between Bianca Organization and Supermarket 'Jumbo Natureza' of Almada, Portugal and also one poster about World Stray Animal Days, on April 4th.

May 2011, official start as writer in 'Cliente&Designer' Project, in Industrial, Equipment, Product, Communication, 3D, Modeling and Interior Design. ([www.clientedesigner.com](http://www.clientedesigner.com))

Also in May, I design for 2011 Bianca's Festival Day poster, flyer and t-shirt.

September 2011, I designed Biancas' 2012 Calendar which was designed with two features. Every month has one photo that is a detachable postcard, numbered in the back. The color and fabric of the ribbon of each calendar is random.

December 2011, Biancas' Christmas Postcard to be sent to public, private and institutional organizations.

Also in December, I designed the new man t-shirt for Bianca Association.

January 2012, coded and programmed ERTEK website in html, css and php.

February 2012, I attended to a photography workshop named 'Iniciação à Fotografia' (Photography Initiation).
